

Forums to address Fundy tidal energy program

Section: Local News

Six community forums will be held to discuss the environmental impact of a tidal energy program in the Bay of Fundy.

The Offshore Energy Environmental Research Association will hold the forums over the next two weeks to discuss the new technology and its energy potential, and to collect public views before the project proceeds further.

The forums are:

- **Aug. 13:** Rodd Grand hotel, Yarmouth
- **Aug. 14:** Digby Pines Golf Resort & Spa, Digby
- **Aug 15:** Acadia University, Wolfville
- **Aug. 20:** Fundy Geological Museum, Parrsboro
- **Aug. 21:** Best Western Glengarry Hotel, Truro
- **Aug. 22:** Dalhousie University, Halifax
