

## “Sustainable Conservation – Heading for Harmony”

---

### **Biography:** Ms. Samantha Dutka, Efficiency Nova Scotia

Samantha Dutka has a Master of Library and Information Studies and Master of Resource and Environmental Management Degrees from Dalhousie University. Samantha has worked with Efficiency Nova Scotia for two years with a focus on residential building envelope energy efficiency and working with Mi’kmaq communities, which included direct installation of energy efficient products. She is currently working as a Regulatory Specialist on items including rate and bill analysis, and the Utility and Review Board filings. Samantha believes good data leads to good decision making.
