### **Biography: Mr. Stephen Duff, Innovacorp**

Steve Duff is president and CEO of Innovacorp, Nova Scotia’s early-stage venture capital corporation. Previously, Steve had 30 years of experience in business and product development in the private sector. He held senior roles, including co-CEO, at Precision BioLogic Inc., a privately-held manufacturer of blood diagnostic products. Before joining Precision BioLogic, Steve worked in technical sales and promotion with Organon Teknika Canada, a division Akzo Nobel. Steve was an Innovacorp board member from 2005 to 2013 and is past-president of BioNova, the NS life sciences industry association. The New Brunswick native has a BSc and MBA from Dalhousie University, and has recently completed the Director’s Education Program – Institute of Corporate Directors through the Rotman School of Business at the UofT. He and wife Trish are recreational trail cycling enthusiasts and support regional Rails-to-Trails initiatives.
