# OERA Student Research Travel Program

### PURPOSE

The OERA Student Research Travel Program helps connect Nova Scotia based student researchers with international facilities or labs to conduct research that will contribute to advancing the offshore energy sector in Nova Scotia.

### ELIGIBILITY

The program is open to senior honours and graduate students attending a Nova Scotia university, or the Nova Scotia Community College (NSCC), and who are conducting research in marine renewables, marine geosciences or seismic & marine sound.

### AWARD

Up to \$5000 CAD will be awarded to successful applicants for travel related expenses such as return airfare, accommodations, and meals. All travel must be approved by OERA prior to booking.

**Note:** workshops, conferences and other types of meetings are not eligible under this program.

### HOW TO APPLY

For more information and to access the application form, please visit [www.oera.ca](http://www.oera.ca).
