

RFP – Assessment of Tidal Benefits to Nova Scotia

Questions

Updated March 15, 2019

Q1 - Regarding the value and the 3 development stages, is OERA looking for the economic value of 3 distinct stages, as though there would be a decision node at the end of each?

A1 - No, we are looking for the cumulative value of the industry in three scenarios.

Q2 - Regarding the Opportunity section, first bullet point, where it says “at today’s level of market commitment,” do you mean NS’s market commitment or the world’s market commitment?

A2 - We are referring to the global market commitment.
